

WELCOME TO COMMUNITIES IN BLOOM MAIN STREET AND RESIDENTIAL FALL CELEBRATION

The Town of Bruderheim Communities in Bloom, which consists of all the volunteers in our community, is pleased to invite you to participate in a friendly “Fall Celebration” contest in which we invite everyone to look at the planters they have and see if they can create a fall display for less than \$20.00. This means we need to look around and see what might be available in nature, in the dollar store, in the recycle bin somewhere or meet with a neighbor to see what they may be able to lend you to finish the design.

If you would like to get some ideas, please do not hesitate to contact the Town Office at 780-796-3731 and leave a message and an “Idea Team” will pop by and lend a helping hand.

Judging will occur on September 9, 2017. The anonymous judges will be looking for:

- Creativity
- Fall colors
- Something that will last until the end of October (at which time we will be thinking Remembrance Day ideas and then Winter displays)
- Use of things that are readily available outdoors to add to the display
- Textures

There will be “creative” prizes awarded for:

- Most colorful residential (5)
- Best Design Residential (5)
- Most colorful Downtown (5)
- Best Design Downtown (5)
- The Street that has the most participation in Sunset, Brookside, West

Woodlands, and the rest of Bruderheim (old Town) The residents on this street chosen will be invited to a “Spring Extravaganza” at Thiels Greenhouse in April 2018.

LET’S SHOW OUR ENTHUSIASM AND CREATIVITY IN BRUDERHEIM.
