The Bruderheim Alert System is used to issue alerts in the event of an emergency or an event that may impact you.

## You pick where, you pick how

You will receive time-sensitive messages in the manner(s) you specify:

- home phone
- mobile
- business phone
- email
- text messages.

Alert messages can also be sent to you about incidents happening near locations you specify in your notification settings.

## Choose your alerts

The Bruderheim Alert System will issue messages about emergency alerts. This is any event which is considered an immediate threat to the safety and well-being of some/all Bruderheim residents. These notifications include, but are not limited to:

- Severe weather watches/warnings (when Environment Canada issues weather alerts)
- Public safety notifications, including water, fire, RCMP
- Local events such as road or bridge closures, snow clearing, road bans, County events, etc.

\*\*\*You choose the types of messaging you wish to receive.

## How to Sign Up

Registering to receive alerts is easy and one person can sign up the whole family in a matter of minutes. This will ensure that all members of your family are notified in the event of an emergency or an unplanned event. Knowledge is key to making wise decisions.

Visit the Bruderheim website for the link to register or go directly to the website: [Bruderheim Alert System](https://member.everbridge.net/index/3091830992273595#/login) (https://member.everbridge.net/index/3091830992273595#/login)

Once you are registered, you only have to go back into the system if your contact information requires updating.

This system is powered by Everbridge and has been used by organizations in over 100 countries for emergency notification and day-to-day incident communication.

**PLEASE USE YOUR STREET ADDRESS OR RURAL ADDRESS WHEN REGISTERING. THE INFORMATION MUST BE INPUTTED INTO THE MAPPING SYSTEM.**

When entering a rural address, please leave out the "0" in the number for accurate mapping. The personal information that you provide will be used to notify you about imminent threats to health and safety as well as informational notifications that affect your location or work environments. The Town of Bruderheim does not disclose personal information to third parties without written consent, unless disclosure is authorized by legislation, or required by law for the purposes of criminal investigation. If you have any questions about the collection or use of your personal information, please contact 780-796-3731.
